VOL. XXXIV. SONOMA, SONOMA COUNTY, CAL., MAY 10, 1913. NO. 44

NTERESTING ITEMS FROM EL VERANO AND SONOMA.

Weekly Record of all the Happenings in the Valley as Faithfully Recorded by Our Wide-Awake Reporter, "r chie McKiver."

Mrs. T. Serres visited the county seat Monday.

A. Chelini, our coal king, accompanied by his son, visited in the metropolis Sunday.

Ed. Morris of Agua Caliente was sight-seeing in the metropolis the fore part of the week.

Eaton & Toy of the Sonoma Vista tract have ordered 1,000 survey stakes from Peterson's lumber yard.

J. Albert Dutil of San Aselmo and Gene Dutil of San Francisco, accompanied by lady friends, were here Sunday.

Sign cards are out announcing that H. Baines, the popular chauffeur, will stand his car at the Bellevue Hotel this season.

C. S. Armstrong and daughter, Miss Alice, have returned to the metropolis after spending several weeks at the Bellevue Hotel.

Willie Meehan won his 4-round battle with Frankie Edwards in San Francisco last Friday evening. There is still a chance for our Willie.

Alex. Borden has been appointed section boss of the Schellville section of the S. P. Co. Mr. Borden was formerly track walker and his promotion was learned with delight by his many friends here.

Mr. and Mrs. Corkey, Mr. and Mrs. Hines, Mrs. J. D. Ellis and grandson, Mrs. R. M. Doyle and grandson and J. G. Trapp and wife of San Francisco were guests Sunday of Mr. and Mrs. Cunningham.

Art Hickman, a brother reporter, drove over from Boyes Springs last Monday and much to the surprise of Archie McKiver stole his girl Myrtle. Please stay away in the future, Art, as we were just beginning to make a hit.

Frank Lahye with forty members of the Dirch Club will arrive from San Francisco on Saturday evening and picnic on the grounds near the El Verano Villa Sunday. A grand ball will be given in honor of the visitors at the Villa Hall Saturday evening.

Elmer C. Owens, formerly manager of the Parente Villa at Verano, is now in Los Angeles acting as assistant treasurer for the Rinbank Theatre, one of the largest play houses in the southern city. Mr. Owens has a host of friends here who are glad to hear of his success.

Archie McKiver must be bothering the so-called local paper, The Expositor. It just so happens that this correspondent wrote for the Sonoma Index-Tribune long before the "yellow journal" was in existence and will still be writing when it is dead and gone. "Get it, Mr. Managing Editor."

Henry Bates, undertaker of Sonoma, was in town last Friday. It is circulated here that Henry, having read an account of the various deaths in Wednesday evening's Expositor, April 30, was here to get his measurement for a coffin, but like the editor of the Expositor failed to find the much-looked for McKiver, who, by the looks of last week's Sonoma Index-Tribune, is still much alive and will write many a letter before St. Peter calls him to the next world whether the Expositor likes it or not.

D. W. Corbin took in the circus at Vallejo Tuesday.

Miss Eva Block is a guest of her sister at Kenwood.

Miss Myrtle Minkel visited in San Francisco Saturday.

Chas. Spindler was a visitor to San Francisco Saturday.

Sam Chase, a longshoreman of San Francisco, is visiting friends here.

Jim McAndrews, an old S. P. bridge contractor, was visiting here last week.

A. Apford, a San Francisco capitalist, is rusticating on his ranch in the western foothills.

Mr. A. L. Gale and Wm. George were in Vallejo Tuesday attending the Sells-Floto circus.

Larry Larsen and Harry Banies were in San Francisco several days last week combining business with pleasure.

Mullen's store received a large consignment of groceries, drygoods and summer goods the fore part of the week.

Jim Baines had three thoroughbred horses shipped from Haywards to this place last Monday via the S. P.

Mrs. Chas. Miller has returned from an extended trip in the eastern states and has joined her husband at the Charley Miller Villa.

Frank Sprague, a Sonoma attorney, and John Lounibos, a hotel man of this place, had business in Kenwood one day last week.

Everything is lovely here. The Development Association is taking in new members weekly and the knock the Expositor handed it was a boost.

Attention ladies and gentlemen! What do you think? The El Verano Juniors lost to Sonoma last Saturday. The score 19 to 8. Nuf said.

Dr. Summerfield was called down from Santa Rosa last Friday to the Blakeman ranch to doctor a sick cow. Mr. Summerfield is a crack veterinary surgeon of that city.

Billy Dwyer, S. P. station agent at Benicia, accompanied by his wife, were the guests Sunday at the residence of Mr. and Mrs. Thos. Ryan.

Walter Poulson, the popular young butcher of J. Vincent's market, returned from Petaluma the latter part of last week with a dozen fine steers for the El Verano meat market.

It is rumored here that William Jennings Bryan, Secretary of State, failure to impress Gov. Johnson on the Jap question was due to Guy J. K. Bigelow not going to the capital.

C. A. Bergstrom, traveling for a well known San Francisco lumber firm was in town the latter part of last week. Mr Bergstrom was formerly connected with the El Verano lumber yard.

The terrible Mike Slattery, who professes to have a kick in either hand, has accepted the position from roadmaster Serres to drive the county gravel wagon. Mike needs no introduction to our people.

Albert Rossi drove a sight-seeing crowd to Napa last Friday.

N. Cantor made a brief business trip to San Francisco last Friday.

E. E. Harris is one of the crew that is working on the new Fetters depot.

T. H. Baines and son, Norman, took in the circus at Vallejo Tuesday.

Emmet Mullen was an El Verano visitor to San Francisco Monday.

Fred Offerman, a San Francisco cafe owner, is registered at the El Verano Villa.

Walter Poulson, accompanied by J. Vincent and family, autoed to Cloverdale Sunday.

Frank Henry, a captain of the San Francisco fire department, is spending the week at his summer cottage here.

H. H. Granice, popular editor of the Sonoma Index-Tribune, was in town last Saturday shaking hands with his many friends here.

B. Neatherhead, foreman for the M. T. Minney Water Company, formerly the Yulupa Land and Water Co., was in Oakland last Friday on business connected with his water system.

Heine Brunner's smiling face is again to be seen on the El Verano Villa bus. Since Heine left El Verano he seems to have gained weight, which talks well for Freeman's Palace Hotel at Sonoma.

Detective Landsborough, manager, reporter, editor, etc., of the "Expositor" has "Sherlocked" the fact that Archie McKiver is dead. "John Brown's body lies moulding in the grave but his soul goes marching on."

Your correspondent, in quest of news, dropped into Mullen's emporium, Monday, and found all the clerks busy. The boycott that the two ladies, one who still resides here, the other having moved into Oakland, tried to put on the store seems to have been a failure.

There is some class to chauffeur Harry Baines' large touring car. It has been newly painted and has the appearance of a new one, and set the town afire last Sunday as it speeded through Sonoma Valley, being well decorated with the fair ones.

Archie McKiver is not like the so-called editor of the Sonoma Valley Expositor. Whatever he sends to the Sonoma Index-Tribune he sticks with it. He don't have to go to the different saloons in El Verano "blow his head off," try to apologize over some article that has appeared and plead it was the other fellow that done it, just to try to make a good fellow out of himself. McKiver, reporter, is not two-faced.

We get you Brother Hickman of Boyes Springs. In last week's issue of the Index-Tribune Veronica Verano is at a seaside resort in Santa Cruz. Belle Brandon is east and Buena Vineburg is at Skaggs Springs. All three are friends of mine, and all three are rushing home to attend the funeral of Archibald McKiver, as reported in last week's issue of the Expositor. We pity brother Landsborough, editor of that paper, when these three able editresses start in to get his goat.

May 1, 1916, was an unlucky day for one Maurice Tendler, a summer guest from New York City. Maurice hired a double team of broncos from the Sonoma Valley stables and started towards Glen Ellen, losing control of the steeds. He had a lively ride to that town and return, 12 miles in 25 minutes, but still clung to the lines, arriving home safe with the lines doubled around his arms. He passed numerous vehicles but managed to avoid colliding with any of them. Maurice drove into the stable, changed horses and once more started off, the skidoo sign still following him. The wind blowing off his hat and alighting to get it, the team ran away, dashing towards Parente's Villa, bumping into a fence and wrecking the rig. The game hostler rounded for the third team, this time taking Albert Rossi and went to Petaluma, where he arrived without further mishap. Upon returning, however, young Tendler discovered that he had lost a valuable stone from his ring. Notwithstanding all these mishaps when Tendler alighted from his rig in front of his boarding house here he ran a big rusty nail into his foot. While seated in the office of the hotel narrating his misfortunes the ashes from his cigar fell on his Sunday-go-meeting pants and burned a big hole in them. Taking it all in all, it was sure an exciting day for the young man and the wonder is he lives to tell the tale.

The new score board at Boyes Springs ball park is the real thing. Any one late can glance over and get the dope on the game.

Eugene Opplinger, well known Sonoma jeweler, passed through here Monday morning en route to Bakersfield, thence to Los Angeles. He will be gone several weeks.

Mr. and Mrs. Otto Gericke of Sonoma passed through here last Saturday en route to Fallon, Marin Co., Cal., to attend the funeral of Mr. Gericke's father who was buried at Tomales last Sunday.

Archie McKiver is still in the ring and the yellow journal of Sonoma, The Expositor, will find out that he is far from being dead, and is not like their late correspondent who seems to have died a natural death.

Through an error of your reporter in last week's letter a mistake was made in an article appearing about J. Steckmeyer, Sr., instead of Gotleib Steckmeyer, getting mixed up with a swarm of bees. Gotleib says that it was him that was stung and he wants all the credit.

Everybody at Boyes Springs Sunday saw one good ball game. The Glen Ellen boys played good ball for the first three innings, holding the Boyes team to nothing. Many errors on their part lost the game. It was exciting and interesting, there being many rooters for both sides. A good game is on for next Sunday, and will begin at 2:30 instead of 1:30.

Governor Johnson made a bad mistake when he was showing our Secretary of State, W. J. Bryan, the different Jap settlements in California that he did not come to Sonoma Valley and view the Jap colony on the Guy J. K. Bigelow ranch. Poor Bill between the three great men, "including Guy," things could be adjusted right here in Sonoma Valley and a war averted by Bigelow's eloquence in favor of the little brown man. How would it look for our Governor, Secretary of State and J. K. Bigelow to be seen riding behind a Jap chauffeur?

ARCHIBALD MCKIVER.

COL. WM. K. ROGERS DIES IN BERKELEY

He Was a Pioneer Resident of this Valley and Ex-President of the Board of Supervisors of Sonoma County

Col. Wm. K. Rogers is dead. He passed away at his Berkeley home on Friday night of last week at the age of 89 years.

The deceased had passed through many adventures during his long lifetime. His youth was spent in Canada, but while still a young man he met Walker in Kentucky, and became a colonel and commissary general of his first expedition into Nicaragua.

He braved many hardships, and it is related that on one occasion he sailed in an open boat with an Indian as a companion from San Juan del Sur to Panama. They were six weeks out of sight of land and arrived at Panama without food or clothing.

Rogers later returned to Kentucky, but was attracted to the Fraser river district in British Columbia shortly afterward. The excitement following the discovery of gold attracted him to California and he arrived in San Francisco in 1850. In the succeeding years he was actively engaged in mining on the Comstock lode.

Col. Rogers came to Sonoma Valley before the Civil War and maintained a magnificent estate of over a thousand acres on what is now known as the Wickersham ranch located in the western foothills in this valley. Here he entertained with a lavish hand many sympathizers in the cause of the South and for months the stars and bars floated over his palatial residence. He was chairman of the Board of Supervisors of this county in those early days and he ruled the political destinies of Sonoma county with a rod of iron. He was finally forced to resign the office and from that time on met with financial reverses and in order to keep up his style of living mortgage his estate to the Wickershams for $75,000 or $80,000. In the eighties the mortgage was forclosed and he left the valley for San Francisco where he made his home with relatives in that city.

He is survived by a widow, Mrs. Elizabeth Rogers, two daughters, Mrs. Frederick J. Lane and Mrs. James West of San Rafael and four sons, William R. Rogers, Henry J. Rogers, John M. Rogers and Louis J. Rogers.

The funeral of deceased took place Sunday, the remains being interred in Cypress Lawn Cemetery in San Mateo county.

L. B. Funge, representing W. W. Montague & Co. of Market street, San Francisco, who has been spending his vacation at Fetters Hot Springs the past two weeks, returned to the city the fore part of the week. Mr. Funge is loud in his praise of Fetters Hot Springs as being an ideal summer resort.

Maloney, James and Adolph Gericke, Jr., who reside on the home ranch between Fallon and Tomales.

Jury's Verdict in Favor of O'Brien Girls is Sustained by Court

The verdict of the jury in the suit of the Sonoma Valley Water Light and Power Co. vs. Nellie O'Brien, et al., which was tried some months ago in Judge Seawell's department of the Superior Court of this county, was sustained by his honor in a decree handed down last Saturday. The jury's verdict was in favor of the O'Brien girls, who were awarded $20 and costs amounting to $414. They were also awarded the perpetual right to two miners inches of water from the south branch of the Lennox creek and the Sonoma Valley Water, Light and Power Co. and its agents were enjoined by the Court's decree from trespassing in any form.

THE SUPERVISORS RESCIND RESOLUTION

Liquor Licenses Granted G. Garoni, Mrs. Mary Farrel, Paul Vannucchi and G. Bocca all of Whom have 35-Room Hotels

A delegation of citizens of this city waited upon the Board of Supervisors last Thursday to urge the rescinding of the obnoxious resolution passed at the February meeting of the Board which practically put out of commission over half a dozen resorts in this valley which had complied with the 35-room initiative ordinance adopted by the people at the election last November. The committee, composed of Carl Dresel, ex-Mayor Breitenbach of this city, J. W. Kelly of Boyes Springs and H. H. Granice, were backed up by a petition of 400 voters.

The Board was addressed by Attorney W. F. Cowan, Mr. Dresel and other committeemen in favor of granting the petition, and attorney Ross Campbell, representing J. K. Bigelow and other reformers in this valley, opposed the petition.

Supervisor Weise then introduced the following resolution in writing:

"Whereas, This Board passed a resolution limiting the number of saloons to eleven between Eldridge and Schellville, and

"Whereas, Said action was ill-advisedly taken on a misunderstanding of the facts and the county ordinance governing the licensing of saloons, I move that the said resolution be rescinded."

The resolution was seconded by Supervisor King and adopted by a unanimous vote.

Retail liquor licenses were then granted to the resort keepers in this valley, who have complied with the initiative adopted by the people last November allowing all 35-room resorts to apply for retail liquor licenses as follows: G. Garoni, Mrs. Mary Farrel, Paul Vannucchi and G. Bocca.

The petitions of G. Pancrazi and H. P. Mathewson were granted to take effect when they have filed proof of having complied with the initiative ordinance.

Telephone and Light Demonstration Schools

The California Telephone & Light Company is arranging for demonstrations throughout its district, covering the Sonoma Valley, Santa Rosa Valley, Russian River Valley, Sebastopol and Cotati.

These demonstration schools will be held at the public halls or school-houses at differennt periods during the month of June. Instructive lectures will be delivered on the use of electrical devices and lamps; and a great deal of benefit should be derived to the consumer in bringing about greater convenience and economy.

Watch for the advertisement covering these meetings, which will appear in this paper very shortly.

Ball Game Here Sunday

What promises to be an exciting game of baseball will be pulled off at the Sonoma Baseball Park, tomorrow (Sunday) afternoon at 2 p. m. by manager Chas. McDevitt of the Sonoma Baseball Club. The contestents will be the San Quentins and the Sonoma team. The battery for the latter will be Jansen and Block.

AVIATION MEET IN SANTA ROSA.

It Will be an International Affair of Thrilling, Hair-Raising Feats of Reckless, Blood-Curdling Daring

Santa Rosa is to have an international aviation meet and auto-polo tournament, which is to be held under the auspices of the Chamber of Commerce of that city, and is to take place on the Fair grounds there on Saturday and Sunday, May 17th and 18th.

Some of the most noted and daring aviators in the world have entered and it is expected that the people of Santa Rosa and vicinity will witness many new aerial stunts that have never before been seen in this section of the country.

One of the star flyers who is to take part in the meet will be Silas Christofersen, a noted Danish aviator, who is an exceedingly daring and skillful flier. and has many stunts and tricks which he executes in the air, among which is the straight dive he makes from a 3000 foot altitude.

The railroad companies have made exceptionally low rates to the Aviation and Polo Tournament from all cities along their lines.

VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Major Thos. Bowhill visited the metropolis Tuesday and Wednesday.

Ranald McDonald of Sonoma was a visitor in Vineburg on Sunday.

H. P. Mathewson of Verano was transacting business in Vineburg a few days last week.

Mrs. B. E Darling was a passenger on Tuesday morning's train on a visit to the metropolis.

Fred Batto transacted business in Santa Rosa on Monday and in San Francisco on Tuesday.

Mrs. Enrico Forni and two daughters visited the Bay City on last Saturday to transact business.

Emilo Batto, the heavy weight foreman of the Batto warehouses, spent Saturday and Sunday in the bay cities.

Nelson Townsend is now engaged in building a tank frame and setting up a windmill on the poultry yards of Frank Rhode on the Hyde tract.

John Robin, who has been engaged at Enrico Forni's for some time past, has resumed his old position as chef at the Vineyard Villa.

Sunday between trains Vineburg was very quiet, most all of the sports attending the ball game in Sonoma, but still there was enough left to make the burg interesting.

Louis Rouquie, the popular manager of Vineyard Villa, returned home Sunday from a week's vacation in Concord, Contra Costa county. He reports a pleasant time.

On Sunday last Fred Batto, Frederick Batto, Jr., Herbert J Batto, Miss Adele Andrieux and Jim Small enjoyed an auto ride through this part of the valley. It was a nice morning's ride.

I hear that one of my fair assistants, Minnie Madden, intends to get married. Be careful, Minnie, for I know a young lady around here who was going to do the same thing, but some one "Cutter" out.

Harry Brandt made a flying visit to this burg on Tuesday evening and returned to the metropolis on Wednesday morning. Harry holds a responsible position in the engineering department on the steamer Mexican.

Mayor Cummings of Sonoma passed through this burg on Wednesday on his way to San Francisco. The delegation who joined him from here were Mayor J. H. Murray, Al Groskopf, Arthur Batto and Louis Rouquie. They are all solid men.

Captain Roland Roberts is a guest at Vineyard Villa. This gentleman brought the steamer China of the Pacific Mail Steamship Co., from Cardiff via the Suez canal and Hongkong to San Francisco in the year 1888 and was master of that vessel for eleven years.

There is either something doing in politics or an ex-official of Sonoma City is trying to capture one of the fairest caisies of this spring. Quite often he is seen mounted on a handsome black steed riding over our highways talking to our farmers about the birds, flowers, crops, bees and all that old noise.

We understand that Adolph Rubke will reopen the store at Vineburg until lately conducted by Harry Kizer. Well, if he makes as successful a merchant as he has a farmer in a few years he may occupy a seat in the Board of Trade. He starts for San Francisco this week to select an up-to-date stock. He expects to open about June 1st.

Three carloads of grain and feed arrived at Batto's spur on Sunday morning, but they did not come direct from the grower, but came direct from the warehouses and grist mills. Farmers are not threshing or grinding grain this time of the year. Of course some newspaper men know just as much about grain as they do about "Newer Patrotism."

Fourth of July will be an eventful day in Vineburg as a grand game of ball will be played in Forni's Park between the Sure Mikes of Schellville and the Never Sweats of Vineburg. The local battery will be Jim Small and Jake Meyer. Jim can never pitch a ball that the ex-Mayor's whiskers can't stop. The new Mayor, John Murray, will toss the first cream puff over the pie plate. Schellville get busy.

EASY JIM.

Society of the Children of Mary

The members of the Society of the Children of Mary held a meeting on Sunday, May 4th, a large number of young ladies being invited. This organization is one of the most popular societies among Catholic young ladies. It is a very promising society, having already obtained a large number of members. The following officers were elected: President, Miss A. Cucci; Treasurer, Miss Mary Dowdall; Sec., Miss Irene Nessi; Counsellors, Miss Catherine Hicky, Miss Eleanor Kehoe, Miss Albina Eraldi and Miss Lenora DeMartini. After the reception a delightful entertainment followed. Immediately after refreshments were served.

A Hen Party

Mrs. Albert Block entertained several of her lady friends Thursday afternoon at a hen party. Several swell chickens were present and also a few roosters.

Delicious refreshments were served at 5 o'clock which were enjoyed by all. The cakes were baked by Miss Lucy Block, the champion cake baker of El Verano.

Among those present were Mesdames Albert Block, Baines and Steckmeyer. Misses Irene Baines, Lucy, Eva and Clara Block. Geo. Block appeared in time to enjoy some of the refreshments.

Sonoma Basball Team

Chas. McDevitt, manager of the Sonoma Baseball team, which he lately reorganized, pulled off his initial game on the Sonoma diamond last Sunday, when the local team tried conclusions with the Poppies of San Francisco The game was a good one, the latter being defeated by a score of 5. to 1.

L. B. Lawson, specialist of the Lawson-Rinner Optical Co., Santa Rosa, will be at the Union Hotel, Thursday May 15th.

BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

Judge Denny from Santa Rosa was a visitor here Sunday and sported a big new Cadillac car.

The ball players after working hard in the sun in their spirited contest enjoyed a nice plunge in the swimming tank that opened last Sunday and will continue to be open from now on.

My $1.50 kaki trousers afforded so much amusement to the visitors to the ball park last Sunday that I wish to inform all those who intend visiting the park tomorrow I will furnish another scream.

Ray Button recently attended a big auction sale of horses at Stewart's in San Francisco. Besides buying a few new saddle horses for livery use he purchased for himself a fancy Oregon pacing saddle horse.

A new visitor to the resort this week is Frankie Burns, who is resting up a week before starting into active training at Shannon's Villa, San Rafael. He is to meet Will Hoppe. Ad Wolgast's fighting demon, in a fortnight.

Col. Brady stepped out into his regalia Sunday as per schedule and "nary" a one passed the club house veranda that did not view with interest the study in brown. The tan Norfolks seem to meet with much favor and will undoubtedly be worn by many of the regulars this season.

Big For berg, the giant pitcher of the Boyes nine disappointed a few fans Sunday by being unable to put in an appearance on the diamond he having met with an accident while at work in San Francisco and after suffering from a badly bruised knee he will be on the job next Sunday

Jack Stevens, the matinee idol, made a trip to San Francisco this week to see his father and also to meet his brother Aston, who is conceded to be one of the most brilliant theatrical critics of the day and just arrived from the East. He will spend a week or so at the Stevens home in Woodleaf Park.

Mrs Lull paid a visit to the big city this week to witness the remarkable show "Fine Feathers," and assures us that the performance was well worth the trip. Mr. Lull, a prominent attorney of San Francisco, returned to Boyes with Mrs. Lull and spent the week end at the resort.

Charlie Dowski, the popular drummer at Boyes Springs theatre, enjoys the reputation of being the best all-round rag-time drummer in the big city. He leaves Friday to play at a fashionable residence in Burlingame, returning so as to be on the job Saturday evening to make the valley Terpsichorines step some.

Charlie Payne, better known throughout the valley as the "Picture Kid," is on the job at the bath house here with every new modern equipment available and promises new and better picture results this season than ever His noisy Indian motorcycle also returned with him snorting its approval of its summer home.

Earle Caldwell, amusement manager of the Thomas Cafes of Sacramento and Reno, is the writer's guest at the springs. Mr. Caldwell is the possessor of a beautiful singing voice and will be well remembered by many of the Sonoma valleyites who attended the garden party given last season by Mrs. Taylor.

Miss Mamie Kelly returned to her home in Woodleaf Park Saturday evening and having fully recovered from a severe cold was able to entertain her cousin, Miss McNamara, who is incidentally spending a week at the springs. There was no part of the valley that Miss McNamara did not see as every day they could be seen on the road in Joe Ryan's very best outfit accompanied by a competent horseman.

The ball game at Boyes last Sunday between the Glen Ellens and Boyes Springs teams proved to be the best game so far this season. In the first part of the proceedings the Glen Ellen boys had a large rally and scored four runs which made the Boyes team hustle in order to even up matters. Nevertheless, the Boyes Springs team remains triumphant as they showed themselves victors by a score of 7 to 4. There are only half-a-dozen ball clubs in California that have all victories to their credit. Two of these are the Boyes Springs team and the United States Laundry of San Francisco. For this reason there is much doubt in the eyes of the fans which of the two is the better, and this argument is to be threshed out at Sunday's game.

Much to the delight of the visitors of the ball park Sunday was the new score ball which enabled all the late comers to know just exactly how the game stood and how it had progressed. There were many auto parties turned out Sunday. Mr. Mohoney of the Mohoney Bros the largest contracting firm in the metropolis and an admier of the national pastime, brought a party of enthuiasts in his large Stodard Dayton. Another party was Judge Melvin and wife os Oakland, who entertained a party of friends at the springs and incidently spent four or five days in our midst.

Driving Club Hold Meeting and Give Banquet

The Sonoma Driving Club members met in the business office of the Union Stables last Tuesday evening to make further arrangements for their big race meet on their track in this city on the Fourth of July. The meeting was well attended and the members were very enthusiastic over the forthcoming race meet.

After the business of the meeting had been transacted the members and a few invite guests repaired to Chase's Inn, where a sumptuous repast awaited them. Speech making and a jolly good time followed.

Local Brevities

Mayor M. E. Cummings made a business trip to the metropolis Wednesday.

Mrs. Al Dupont, manager of the Kaisenhaf Cafe No. 1, San Francisco, was here Saturday visiting her husband, Al Dupont, the well-known horse breeder. She returned to her city home Sunday afternoon.

SONOMA VALLEY NEWS ITEMS.

As Reported by That Live Wire, Archibald McKiver, Who is Always Right There With the Goods.

J. Serres and Charley Potter, roadmasters, were in Santa Rosa Monday turning in their monthly accounts to the Board of Supervisors.

Fireman Canaveri, formerly of Sonoma, is relieving fireman Cardoza on the S. P. passenger run between Santa Rosa and Vallejo.

The many friends of A. Entleman, who has been very sick with pneumonia, will be glad to hear he is improving under the care of Dr. Leix of Sonoma.

The two Georges, Weaver and Block, played with the Sonoma team at Sonoma, Sunday, and helped in a great way to win the game for that team.

A large delegation of Sonoma Valley's most prominent citizens were at the meeting of the Board of Supervisors at Santa Rosa Thursday when the liquor question was brought before that body.

It is rumored about town that we are soon to have a fire department here. El Verano is leading and the El Verano Development Association is doing things since that progressive organization has started.

Knocking is a thing of the past in Sonoma county. The would-be monarch is losing his footing daily and shortly the new administration will get things going along right and then the valley will amount to something.

The sides of the new depot at Fetters Hot Springs are up, and a number of electric lights have been installed around the depot yard. This will be one of the leading depots along the Northwestern Pacific Railroad, and the only one of its kind in California.

Among those most prominent at Boyes Springs Sunday witnessing the ball game were August Marcy and Jep Valente representing old Sonoma and seemed to like the game. Mr. and Mrs. Walter Gaige drove down from Glen Ellen and rooted for that team. Josh Stephens was howling for Boyes, and with Colonel Brady at last got the josh into the home team after yelling their heads off for four innings. Art Hickman was the busiest man around the diamond, and the boys were joshing him about his new corduroys. Josh Stephens remarked from the gallery that they were Duhring's best. (Of course they were bought at Grahams.) Which the writer asserts, as Mr. Hickman is no prohibitionist. "He drinks near beer." The beautiful Fannies who accompanied the Glen Ellen team were boosting for that town, and believe Archie McKiver whenever you see a pretty girl just say she is from the Glen Ellen you won't miss your guess, and there were others.

Schocken's Old Store to be Reopened

Bernard and Albert Baer, formerly of this place, have returned after an absence of a number of years and will reopen Schocken's store on the corner opposite the old Mission. The Baer Bros. are nephews of Mr. Schocken and years ago clerked in his store, which has been closed the past two years. Their return to Sonoma will be good news to their many friends in this valley and it goes without the saying that the Baer Bros. in reopening the old store will make good.

Studebaker

"Yes Sir! Studebaker wagons are made to back up a reputation."

That's the opinion of thousands of blacksmiths who know the quality of *Studebaker* wagons.

The owners never regretted that they bought *Studebakers.*

Tested materials, accurate workmanship insure a wagon unequaled for durability, and this careful selection of wood, iron, steel, paint and varnish has been a fixed rule with the *Studebaker Company* for sixty years. That is why a *Studebaker* wagon runs easiest and lasts longest. It is built on honor.
